

CORPORATE MATCHING FAQs

Many companies support corporate matching for donations made for K-12 educational purposes. We recommend parents ask their HR department for more information about their company's corporate match policies. Below are some frequently asked questions.

What is corporate matching?

Many companies match contributions to non-profit US based 501(c)(3) organizations. This can instantly double the money you donate to the organization.

What is the process for corporate matching?

Each company has a different process for employer match. Please ask your HR/Benefits department.

In general, the steps to process corporate matching are:

1. Check to see if your company participates.
2. Many companies use a third party. You may be required to make your contribution through the designated website. Be sure to have your company's unique URL in order to log-in.
3. Search for River Ridge Elementary PTA in the organization listing. If it is not listed, our organization will need to be added. Information is listed below to assist with this process.
4. If your company requires hardcopy paperwork to be turned in, please complete the paperwork and return by mail to RRE PTA at the address listed below.
5. Let us know a contribution was made by sending us a copy of your receipt.

My company offers corporate match but River Ridge Elementary PTA is not listed:

Adding RRE PTA to the list of organizations eligible for corporate match is usually a quick and easy process. You will need the following information:

River Ridge Elementary PTA (RRE PTA)
128900 Tierra Grande Trail
Austin, TX 78732
EIN 27-0197980

When should I apply for corporate match?

When a contribution is made to using the Write-the-Check Fundraiser or purchasing a Sponsorship you should apply. Some companies distribute funds right away, while others process them on a quarterly or semi-annual basis. Verify with your HR/Benefits department whether there are strict guidelines for applying for corporate matching.
